

Writing and Grammar

Genre: Narratives and Newspapers

We will be learning:

- How to include effective vocabulary for a narrative
- To structure a narrative effectively
- Using different sentence structures for effect in a narrative.
- How to use direct and reported speech in articles.

Reading and Spelling

We will be...

- Reading our new class text 'Wonder'.
- Applying a range of strategies to give meaning to words in context.
- Making predictions using evidence from the text.
- Using our summary skills to summarise a text.

Numeracy

Focus: Fractions, decimals and percentages

We are learning...

- About fractions greater than 1
- To calculate with fractions
- To find percentages of amounts.
- Fractions, decimals and percentages equivalence.

Science

Topic: Physics - Earth and Space

We will be learning about...

- The planets in the solar system
- Why we have night and day
- The movement of the moon and its importance
- The movement of the earth and its importance.

**Geography/DT/Music**

**Geography: Coasts**

This half term we will focus on:

- The parts of the coast, erosion and how it affects coastal areas.
- The impact pollution has on the wider world and our contributions.

**DT: Using electrical systems to make security alarms.**

**Music: Rap**

**Physical Education**

**Please remember to wear your PE kit on a Monday.**

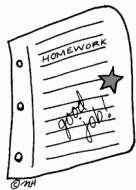

**Your child will be developing their physical skills through:**

- Tag Rugby.

**Your child must wear the appropriate PE kit.**

- Black shorts or tracksuits. Black leggings may be worn by girls.
- Black Trainers or pumps
- A school house t-shirt or plain white t-shirt

**Homework**

**This will be handed out every Friday. This is set by your child's teacher to consolidate and extend their learning.**

**Your child will also be sent home a reading book on a Friday and this will need to be returned on Monday.**

**Children need to spend at least 15-20 minutes each day reading.**
